

See the sights... and get paid for it!

Our client is an active young woman seeking a female Personal Assistant with plenty of personality and a good sense of humour to help her live independently in her own home.

A normal day with this client would involve a shopping spree around the town centre, a visit to family and friends who live near by and a bit of food shopping. A confident driver is needed as much of this client's travel is within the town and parking can be a particular skill!

Our client likes to follow an exercise regime to help maintain mobility and flexibility, so help is required with this, although you do not need any special physio skills.

You will start on £490 per week and as you will receive free food and accommodation whilst you are working you can save lots of money for your own travels, shopping or whatever.

You need to be organised, adaptable and motivated with a can do attitude and most of all a good sense of humour. Good spoken English is essential.

To apply you must:

- Hold a full driving licence
- Be aged between 21-40
- Hold a valid UK work permit
- Speak fluent English

If you are interested in becoming a Personal Assistant please fill in the on-line application form.

This post is exempt from the Employment Equality (Age) Regulations 2006 as per section 8(2).
