

Origin Holiday Care Service

providing a trained spinal injury PA for trips away!

Travelling overseas or in the UK is easy with an Origin PA. Whether you want a holiday with family or friends that is relaxing for everyone or want to take an independent trip overseas or in this country, Origin's highly trained PAs can assist you on your journey and support you when you reach your destination.

Origin PAs are:

- Specially trained in spinal injury care
- Fully insured for international travel
- Experienced independent travellers
- Available for short breaks or extended trips
- Often fluent in various languages
- Available for holidays or business travel

Origin's Holiday Care Service takes the hassle out of travel so you can relax and enjoy your holiday. You do not need to be a regular Origin client to use this service.

holiday!*

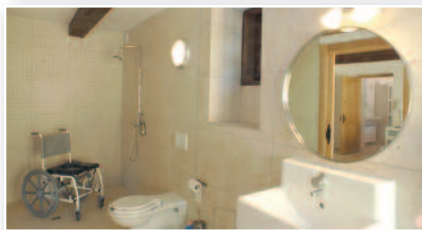

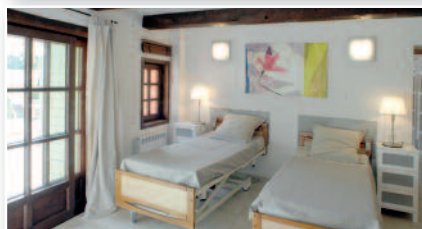

Looking for holiday accommodation that really is wheelchair accessible?

Then check out L'Origine, a ground floor apartment, adapted specially for people with a spinal injury.

- **2 bedrooms, sleeps 4-6 people**
- **Level access, large wetroom shower**
- **Height adjustable beds with pressure relieving mattresses**
- **Air conditioned and central heating**

L'Origine is situated in the beautiful village of Collioure on the French Catalan coast. The picturesque, historic town centre is pedestrianised so getting around is easy. There are many local restaurants and bars serving excellent food and overlooking the beach.

Situated just a couple of minutes from the town centre, L'Origine is the perfect place for relaxing.
