Flexible Short Term Respite Care

Trained PA support for when your PA is on holiday or ill or a family member is unavailable.

University Support

Designed to support those who are starting University or returning for a new term. Packages include personal care and other assistance you may need such as note taking during lectures. University care support can be provided solely during term time or ongoing throughout the year - to suit you.

Holiday Care

An experienced Origin PA can accompany you and/or your family when you travel either at home or abroad whether this is for a holiday or business to make travelling easier and less stressful. Origin PAs are flexible and can even fit in with your current PA if needed. Our PAs have accompanied clients on all sorts of trips from family holidays, business trips to trips to search for property.
